

Electives Orientation

Orientation for choosing the right elective subjects were conducted through AIS Vice-Principal Mr. Amjad Abdalbari and AIS College Counselor Mr. Mansoor Ali Shah.

Please note that for incoming Grades 10 – 11 students, each year requires a compulsory science subject: Grade 10 – Chemistry 1 ; Grade 11 – Physics 1 / Physics 2. For incoming Grade 12 students, there are no compulsory subjects for electives.

Each student is required to choose 3 elective subjects based on their future career goal and interests.

IMPORTANT REMINDER:

1. Register for Elective Subjects Online (via school account).
2. Proceed to Office No. 6 to print Elective Subjects to be shown to the Registrar's Office. (Registration is not allowed if the student did not register for any elective subjects online.)
