Dear Parents (Grades 4 - 12),

We are delighted to have the students back in our school once again! We thank you for always putting your trust and confidence in us.

What's new at AIS:

- The main platform for parent – teacher – student communications will be Edmodo for grades 4 – 12. Teachers will invite you to join their Edmodo sights in the coming week or two. The AIS portal will still be available for you to check any comments / feedback about your child.
- Course breakdowns for the entire first semester will be shared with you on Edmodo. These will include weekly topics and required materials.
- Homework will be assigned on designated days for core subjects, as follows:
Sunday – English
Monday - Science
Tuesday – Arabic
Wednesday – Maths
- Homework for non-core subject will be assigned as needed. All homework will be communicated via Edmodo.

Gentle Reminders:

- The central administration of the main office is not to be involved in academic, procedural or behavioral issues unless it has been determined by the Section Head to be unresolved.
- The use of English language by students and staff throughout the school will be encouraged throughout the school to enhance the students' English skills.
- Attached for your reference, you will find an addendum to the Parent/School Contract that was approved for AIS use by the KHDA last year.
- A comprehensive Parent Handbook of school policies will be distributed next week.

Save the date: Parent Coffee Mornings have been scheduled for the first week in October. Grades 4 – 8 will meet Wednesday 4 October, 8:00 – 9:00 a.m.; grades 9 – 12 will meet the following day, Thursday 5 October from 8:00 -9:00 a.m. Meetings will provide school leaders the opportunity to update parents on school matters, and serve as an informal setting for parents to interact with the Heads of Section.

For further inquiries and assistance, please feel free to communicate with our staff. Our landline number is +9714 298 8666, and the AIS general email address is info@aisschool.net .
